pieces of time that
feel oh, so good!

Ones you want to
remember forever.

Savor the moment
with the beautiful
products from Leeff.

life is all about moments

With furniture pieces you can define the style of an interior. A nice and stylish base in which other interior items are even more beautiful.

Netty de Groot's all-time favorite furniture pieces are now available in our 'Leeff by Netty' collection.

Due to the use of natural materials, the 'Leeff by Netty' chairs fits well with other earthy tones. Washed canvas provides the pretty, casual feeling and the frame of grey brushed oak gives the chairs a warm appearance.

With these beautiful, comfortable chairs you can fully enjoy an evening of dining or drinks with the people you love.
